

Шановні колеги,

Пропонуємо Вам унікальну колекцію відеопосилань із розвиваючими піснями, віршами, чантами англійською мовою для використання на уроках у початковій школі. Цією чудовою збіркою з нами поділилася **Олена Барсук, м.Київ**.

Якщо перетворити заняття англійської мови на веселу гру, що передбачає також і перегляд відео з пісеньками, діалогами та рухливими іграми, запам'ятовування нових слів буде відбуватися радісно, дитина буде емоційно вмотивована, буде сприймати незнайому їй мову з цікавістю та задоволенням.

Ритм, що супроводжує начитку слів, концентрує увагу дитини, перетворює процес повторення на захоплюючу пригоду, спогади про яку залишатимуться у пам'яті дитини протягом всього життя.

Участь у рухливих іграх під музику, повторення ритмічних віршиків, чантів, жестів, пальчикових ігор дозволяє дитині розвивати зорову, слухову та кінестетичну пам'ять водночас.

Всі відео та мультфільми озвучені носіями мови, і це дуже ефективно для постановки правильної вимови у дітей.

Посилання укомплектовані з урахуванням тематики сфер спілкування у програмах з англійської мови з 1-го по 4-ий клас. Вони передбачають вивчення на слух як окремих слів, так і словосполучень і простих речень. У багатьох відео слова, що вивчаються, супроводжуються субтитрами, отже, дитині буде легше засвоїти графічний образ слів на першому етапі навчання, а згодом – словосполучень і речень.

Якщо у класі нема жодної можливості переглядати навчальні відео, рекомендуємо ділитися посиланнями з батьками, для сімейного перегляду. Практика доводить, що переглядаючи веселі дитячі відео вдома, молодші діти вчать нову лексику, старші брати та сестри – повторюють, а батьки отримують задоволення від веселого процесу і також «підтягують» свою іноземну – адже з часом її стандарти змінюються.

Приємного Вам перегляду та успішного застосування відео на уроках!
